PROCLAMATIONS

[L.S.] H. P. BELL-IRVING
Lieutenant Governor

CANADA:

PROVINCE OF BRITISH COLUMBIA

ELIZABETH the SECOND, by the Grace of God, of the United Kingdom, Canada and Her Other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith

*To all to whom these presents shall come—
Greeting*

A PROCLAMATION

Jack Heinrich
*Acting
Attorney General* WHEREAS the week of February 8 to 14, 1981, inclusive, has been designated by the Provincial Chapter, IODE in British Columbia as the 81st observance of the Order's founding in Canada:

And whereas the IODE is a charitable women's volunteer organization, devoted to the betterment of Canadians regardless of race, creed or colour:

And whereas the IODE has been a leader for many years in volunteer work in the fields of education, diabetic, cancer and glaucoma research, as well as assistance to native peoples in Labrador, the Northwest and Yukon Territories, and senior and new citizens:

And whereas over \$1,000,000 is raised and spent annually in the fields of education, services and citizenship:

And whereas it is deemed appropriate to issue a Proclamation in recognition of the dedicated IODE members who have given their time and talents freely to help make the nation a better place in which to live:

And whereas Our Lieutenant Governor, by and with the advice and consent of the Executive Council, has been pleased to direct by Order in Council in that behalf, that a Proclamation be issued appointing the week of February 8 to 14, 1981, inclusive, as IODE Week in the Province of British Columbia:

Now know ye that We do by these presents proclaim and declare that the week of February 8 to 14, 1981, inclusive, shall be known as IODE Week in the Province of British Columbia.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our Province to be hereunto affixed.

Witness, the Honourable Henry P. Bell-Irving, Lieutenant Governor of Our Province of British Columbia, in Our City of Victoria, in Our Province, this fifteenth day of January in the year of our Lord one thousand nine hundred and eighty-one, and in the twenty-ninth year of Our Reign.

By Command.

A PROCLAMATION

Allan Williams
Attorney General WHEREAS healthy family life is the cornerstone of our society:

And whereas there is growing awareness of the contribution that families make to society and it is important every effort be made to recognize this contribution:

And whereas all citizens are encouraged to recognize the power they, as members of a family, possess to strengthen our society:

And whereas the British Columbia Council for the Family, in cooperation with the Provincial Government, religious bodies and community agencies strives to strengthen families in our Province, and encourage their participation in shaping the institutions of society that affect the family:

And whereas in recognition the Government of the Province deems it ex-

pedient to issue a Proclamation appointing the month of May 1981 as Family Month in the Province of British Columbia:

And whereas Our Lieutenant Governor, by and with the advice and consent of the Executive Council, has been pleased to direct by Order in Council in that behalf, that a Proclamation be issued appointing the month of May 1981 as Family Month in the Province of British Columbia:

Now know ye that We do by these presents proclaim and declare that the month of May 1981 shall be known as Family Month in the Province of British Columbia.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our Province to be hereunto affixed.

Witness, the Honourable Henry P. Bell-Irving, Lieutenant Governor of Our Province of British Columbia, in Our City of Victoria, in Our Province, this seventeenth day of December in the year of our Lord one thousand nine hundred and eighty, and in the twenty-ninth year of Our Reign.

LEGISLATIVE ASSEMBLY

PRIVATE BILLS

Excerpts From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session.

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there

be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300

mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

APPLICATION FOR PERMIT UNDER
POLLUTION CONTROL ACT
(Emissions)

THIS APPLICATION is to be filed with the Director of Pollution Control, Parliament Buildings, Victoria, B.C. V8V 1X4.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving

a copy of the application, file with the Director at the above address an objection in writing to the granting of a permit, stating the manner in which he is affected.

Preamble—The purpose of this application is to obtain a permit under the *Pollution Control Act* for a non-ferrous recycling furnace c/w afterburner.

Okanagan Metals Ltd., 855 Ethel Street, Kelowna, B.C. V1Y 7K4, hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from a non-ferrous recycling furnace c/w afterburner located at 930 Bay Avenue, Kelowna, and gives notice of application to all persons affected.

The land upon which the works are located is Lot A, Section 30, Township 26, Plan 20060.

The discharge or emission shall be located 20 metres west of office.

The rate of discharge is (dry basis): Maximum, 294 mol/s; duration, 8 hours a day; frequency, continuous. Average daily (based on normal daily operating period), 294 mol/s.

The operating period during which contaminant(s) will be discharged is intermittent, one day a week.

The characteristics of the contaminant(s) to be discharged are typical emission from non-ferrous recycling furnace; particulate, 5.5 mg/mol at 12% CO₂.

The type of treatment to be applied to the contaminant(s) is afterburner to burn off any unburnt combustibles.

This application, dated on January 9, 1981, was posted on the ground in accordance with the *Pollution Control Regulations*.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT (Effluent)

THIS APPLICATION is to be filed with the Director of Pollution Control, 15326—103A Avenue, Surrey, B.C. V3R 7A2.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of a permit, stating the manner in which he is affected.

Preamble—The purpose of this application is to obtain a permit for permission to continue disposing wash water into municipal storm ditch following construction of new facilities. Processing consists of receiving, cleaning, inspection, weighing and shipping only of cranberries and blueberries received from local farmers. The effluent originates from the washing of cranberries, and the normal daily wash-down of the blueberry dry-cleaning area and equipment.

Ocean Spray of Canada Ltd., 5400 No. 6 Road, Richmond, B.C. V6V 1T1, hereby applies to the Director for a permit to discharge effluent from a cranberry washing operation and cleaning of blueberry handling area and equipment located at 5400 No. 6 Road, Richmond, into Municipality of Richmond storm ditch on east side of No. 6 Road, which flows south and discharges into Fraser River, and gives notice of application to all persons affected.

The land upon which the works are located is Lot 1, north half of Section 4N, Range 5 west, Plan 22511, NWD.

The discharge shall be located at the northwest corner of 5400 No. 6 Road, Richmond.

The quantity of effluent to be discharged is as follows: Average daily discharge (based on operating period), 250 gallons (July 15 to Sept. 14), 32,650 gallons (Sept. 15 to Nov. 5). Maximum daily discharge, 300 gallons (July 15 to Sept. 14), 42,240 gallons (Sept. 15 to Nov. 5).

The operating period during which the effluent will be discharged is not continuous operation, 8 a.m. to 12 p.m., 7 days a week (July to November).

The characteristics of the effluent discharged shall be equivalent to or better than typical cranberry wash water, and normal wash-down from daily cleaning of cranberry and blueberry processing areas and equipment.

The type of treatment to be applied to the effluent before discharge is wash water passes through a series of dewatering screens (Sweeco & Hydra-Sieve), after which it passes through an interceptor before discharge into municipal storm ditch.

This application, dated on December 22, 1980, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER
POLLUTION CONTROL ACT
(Emissions)

THIS APPLICATION is to be filed with the Director of Pollution Control, 1106 Cook Street, Victoria, B.C. V8V 1X4.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of a permit, stating the manner in which he is affected.

Preamble—The purpose of this application is to obtain a permit for the incineration of domestic refuse from the Mount Washington Ski Resort.

Mount Washington Ski Resort Ltd., 655, 555 Burrard Street, Vancouver, B.C. V7X 1H7, hereby applies to the Director for a permit to discharge or emit contaminant(s) into the air from a diesel-fired municipal-type incinerator located at Mount Washington Ski Resort, and gives notice of application to all persons affected.

The land upon which the works are located is Lots 1223 and 1340 of the Comox Land District.

The discharge or emission shall be located 100 feet west of the sewage treatment plant.

The rate of discharge is (dry basis): Maximum, 550 SCFM; duration 30 minutes an hour; frequency, 2 to 3 times a day. Average daily (based on normal daily operating period), 550 SCFM.

The operating period during which contaminant(s) will be discharged is 1 to 1½ hours a day, 2 to 3 times a week.

The characteristics of the contaminant(s) to be discharged are maximum particulate emission, 0.100 gr/SCF; maximum opacity of emission, 20% for 95% of operating-time; maximum opacity of emission, 40% for 5% of operating-time. The type of treatment to be applied to the contaminant(s) is controlled air incineration.

This application, dated on January 12, 1981, was posted on the ground in accordance with the Pollution Control Regulations.
